One of my biggest pieces of advice is to get involved on campus and don't be afraid to try anything, even if you don't end up liking it! There are so many clubs, events, fairs, and connections has to offer at UWL.

Order forms can be found on the Textbook Rental area and pick-up your books, then check them out for the semester before leaving. At the beginning of the year, the bookstore is open all the time and the professors will let you know which items you need when you begin classes.
