Textbook Rental - What is it and how it works?

Campus Cakes - Make the Fall Semester a Little Sweeter

Financial Aid Feature of the Week

For more information on Textbook Rental, please visit their website. You can also visit the Textbook Rental in the basement of the Student Center, where they will swipe your UWL Eagle ID to check out or check in your textbooks. Your instructor will provide a list of required books for the course. There may be a slight difference in the cost between the bookstore on campus and the off-campus bookstore. To avoid overpaying, consider renting your textbooks. The bookstore on campus offers a wide selection of textbooks and provides a convenient location for students to purchase their textbooks.

Getting Involved on Campus

There are plenty of activities going on to help you get involved, including Involvement Fest and Welcome Week activities associated with your major. You can participate in student government and also enjoy outdoor activities such as Ultimate Frisbee, hiking, running, and mountain biking.

From Our Perspective...

There were a lot of things I didn’t know or think about when entering college undeclared. I thought I wanted to go on one path, and after two years of club meetings of my future career possibilities, I have decided what I am completely passionate about. When I arrived at UWL I realized that many of my classmates were also feeling the same way. I was soon comforted by my advisors and all of the opportunities Connections has to offer at every floor of the "U" in September to start your own! When you participate in Welcome Week activities, your preferences are considered when your major is assigned. If you are not sure about your major, you can participate in Welcome Week activities associated with your major. Joining a student organization is a great way to meet new people and learn more about your academic major.
