Importance of Limiting What They Borrow.

Many students rely on student loans to assist with the funding of their education. It is

important that students understand the types of loans they are offered as well as the

Subsidized vs. Unsubsidized Loans

The Federal Direct loan program offers two types of loans for students, Subsidized and

Unsubsidized loans. Both loan types have an interest rate that is fixed for the lifetime of the

loan. If a student does not need all of the loans offered to them, the Subsidized loan would

be the one to decline. The Subsidized loan is subsidized based on the student's and family's

income. The Pullman Housing Student Advantage

you to borrow only what you absolutely need, you will limit the amount you will have to repay

It's really important that you actively participate in class discussions, volunteer in the local community,

and worry about finding your path in life. However, you may experience the same feelings of not knowing what you want to be when you grow up. As a result, you may find yourself adding this to
