To apply for all UWL Foundation scholarships (www.uwlax.edu/scholarships), you need to apply for the scholarships you are uniquely qualified for. Consider saving as much of your earnings from your summer job and using that money to help cover your education costs. If you have borrowed more than you need, you can always contact our Unsubsidized loan servicer to discuss your options. If you need the loans offered to you as part of your financial aid award, keep them. But if you know you will not need the loans offered to you, we encourage you to discontinue borrowing.

When you borrow federal loans, make sure you're the type of loan they should accept first. The Federal Direct loan program offers two types of loans for students, Subsidized and Unsubsidized. The Subsidized loan will begin to accrue interest immediately once the loan is disbursed, while the Unsubsidized loan will begin to accrue interest and be capitalized after the loan is disbursed and due February 1.

Many students rely on student loans to assist with the funding of their education. It is recommended that you budget in the interest that is capitalized and that you consider borrowing only what you absolutely need, as this will limit the amount you will have to repay upon graduation. If you have borrowed more than you need, you can always contact our loan servicer to discuss your options.

Getting involved on campus is an important part of college. Many students rely on student organizations to help them find their way. One of my biggest pieces of advice is to get involved on campus and don't be afraid to explore many of your options. After two years of exploring many of my options, I have decided what I am completely passionate about. When I arrived at UWL I realized that many of my best friends were/are from my college. I never would have met them without getting involved on campus.

My piece of advice would be don't worry if you're not best friends with your roommate/roommates. My roommate and I know a lot of people that struggled including myself when that didn't happen. So with the stress that came with college, I had to be there for her. We got along and made it through college together. If you don't like your roommate, let Campus Cakes help celebrate your student this school celebration, finals pick-me-up, or simply a sweet surprise. Let Campus Cakes give you the ability to tell your student that you're thinking about them, whether it's for a birthday or just a random Wednesday.
