World Citizen Peace Greetings for 2022!

We want to be among the first to wish you a healthy and safe New Year for 2022!

World Citizen Peace had a successful and exciting 2021 thanks to our many donors and supporters. We are anticipating 2022 a year in which we continue our progress in creating a just and peaceful world. There is much to be done to stay on this most important journey.

This last week of December is a critical time for nonprofits to gather support through donations to continue making progress into 2022. We ask you take time to consider World Citizen Peace as you close out 2021. The more support we receive, the more impact we can make on our mission: Empower people to create a just and peaceful world.

World Citizen Peace has a number of opportunities planned for the upcoming year for spreading the message of the Five Peace Actions online as well as onsite! Join us in our work and donate today! Thank you for your continued support and believing that we all can make a difference in creating a Just and Peaceful World.

Peace Will Prevail,

Kathy Millington
