Did You Know?

New UCPath CORE Training Launching Soon!

UCPath **CORE** Training

Concepts, **O**verview, **R**esponsibilities, **E**xpectations

Launching February 2024

UC San Diego

The time has come! The UCPath CORE Training is targeted to launch in **late February 2024**. The newly redesigned training will replace our existing UCPath Bootcamp and UCPath Funding Fundamentals training courses, providing a bold and fresh take on core UCPath concepts:

Current State: UCPath Bootcamp

- Information overload, too many topics covered at once
- Long, tedious, and time-consuming
- Difficult to update with the latest guidance

Future State: UCPath CORE Training

- High-level summary of important concepts separated by individual modules
- Shorter, easier to update
- Points to relevant complementary resources

The UCPath CORE Training was created to redefine UCPath **concepts** by providing a fresh **overview**, covering an employee's **roles** and **responsibilities**, and setting **expectations** of UCPath moving forward.

In addition to the training redesign, our [local UCPath Website](#) will be updated to align with the new CORE Training. Stay tuned for more information!
