**Did You Know?**

**New UCPath CORE Training Launching Soon!**
The time has come! The UCPATH CORE Training is targeted to launch in late February 2024. The newly redesigned training will replace our existing UCPATH Bootcamp and UCPATH Funding Fundamentals training courses, providing a bold and fresh take on core UCPATH concepts:

Current State: UCPATH Bootcamp

- Information overload, too many topics covered at once
- Long, tedious, and time-consuming
- Difficult to update with the latest guidance

Future State: UCPATH CORE Training

- High-level summary of important concepts separated by individual modules
- Shorter, easier to update
- Points to relevant complementary resources

The UCPATH CORE Training was created to redefine UCPATH concepts by providing a fresh overview, covering an employee’s roles and responsibilities, and setting expectations of UCPATH moving forward.

In addition to the training redesign, our local UCPATH Website will be updated to align with the new CORE Training. Stay tuned for more information!
