The CMU Portugal Program has a Call for Expressions of Interest to the Visiting Students Program. This is an opportunity for students from around the world to participate in the CMU Portugal Program by attending CMU sessions, working with CMU faculty and students, and learning about the research and educational opportunities at CMU. The call is open until September 16th. Applications can be submitted online and should include a CV, a letter of recommendation, and a statement of research interests.

The CMU Portugal Program also presented a recent Call for Exploratory Research Projects. This call is aimed at fostering new research collaborations between CMU and Portuguese institutions, and selecting projects that align with CMU’s strengths and priorities. The call is open until October 10th. Applications should include a detailed project proposal, a budget, and letters of support from collaborative partners. The CMU Portugal Program will fund projects up to $50,000 for a duration of up to 12 months.

Additionally, the CMU Portugal Program will host a workshop on Communications, Public Safety and Innovative Applications with Aerial Drones. The workshop will be held on July 8th, 9th, and 10th. The purpose of the workshop is to bring together researchers and practitioners from academia and industry to discuss the latest advances in these fields. The workshop will feature keynote talks, tutorials, and poster sessions. Detailed information on the workshop can be found on the CMU Portugal website.
