News from the Fence

October 7: Deadline for Expression of Interest to the CMU Portugal Visiting Students Program

November 2: We are accepting applications to the CMU Portugal Exploratory Research Projects (ERPs) and Phase III Initiatives at CMU.

November 30: Applications to the CMU Portugal Exploratory Research Projects (ERPs) and Phase III Initiatives at CMU

The CMU Portugal Program invites researchers from institutions in Europe to participate in its visiting student program and in exploratory research projects (ERPs)

CMU Portugal has 160K euros to support Exploratory Research Projects.

Open Call for Expressions of Interest for the Visiting Students Program

We are seeking students from institutions in Europe to participate in the CMU Portugal Visiting Students Program, which will support the development of research projects and the exchange of knowledge and expertise.

Applications will be accepted until November 30, 2019.

The program offers the opportunity for students to collaborate with faculty and students at Carnegie Mellon University, gain exposure to cutting-edge research, and develop new collaborations.

For more information visit our website or send your questions to apply@cmuportugal.org.

Submission of Expressions of Interest to the CMU Portugal Visiting Students Program

CMU Portugal has 400K euros to support Exploratory Research Projects (ERPs) and Phase III Initiatives at Carnegie Mellon University.

A Call is Open for CMU Portugal Exploratory Research Projects (ERPs) and Phase III Initiatives at CMU.

For this Call, the CMU Portugal Program is seeking proposals in the area of ICT, with a focus on the opportunities emerging from 5G and the Internet of Things (IoT).

We wish to support research projects that wish to spend up to 6 months at Carnegie Mellon, starting in Spring 2020.

For more information visit our website or send your questions to apply@cmuportugal.org.
