Payroll Adjustment Backlog Update

Currently, UCPath Center has completed more than 1,000 corrected W-2s (W-2Cs) and is completing about 200 W2-Cs from the 2023 tax year. In [April](#), UCPath Center provided information about previously unreported payroll adjustment requests from 2023:

- The remaining 285 adjustments are targeted for completion by June 30, 2024.
- 28 adjustments require 2021/2022 corrections, pending the opening of prior-year payroll calendars, which has been requested.
- To handle increased volume and prepare for year-end requests, UCPath Center reassigned five resources and onboarded six additional temporary resources.

Employees will receive an email notification when their corrected W-2C is available in UCPath. Those who opted for printed documents will receive a hard copy via U.S. Mail. UCPath Center will continue to process adjustments in the order received and provide monthly updates until the backlog is resolved. The next update will be provided by June 28, 2024.

The above information and more can be found in our [Newsroom](#).

Local News: Upcoming Projects & More

Coming Soon: UCPATH July Release

July 2024 will mark the release of the following projects in the UCPATH system: **Gender Identity and Pronouns**, the **New SOBO Case Submission Form**, and updates to the **UCPATH Former Employee Portal**. A summary of the July Release projects can be found below:

Gender Identity and Pronouns

The goal of the Gender Identity and Pronouns project is to capture gender identity, sexual orientation, and pronouns in the UCPATH system to align with the [Gender Recognition and Lived Name Policy](#). This project will:

- Update system options for Gender Identity and Sexual Orientation as some values are outdated
- Allow system to collect Employee pronouns
- Implement Oracle delivered solution for consistency and scalability for future delivered changes

Watch the [UCPATH July Release: Gender Identity and Pronouns video](#) below for an overview of the changes.

New SOBO Case Submission Form

The new SOBO (Submit on Behalf Of) Case Submission Form portion of the Enhance Ask UCPATH Initiative will simplify, standardize and improve the case management user experience for Submitters by creating an intuitive case submission form. For more information, view the Enhance Ask UCPATH Initiative project space [here](#).

Former Employee Portal Updates

In addition to the above projects, the UCPATH Former Employee Portal will be updated to improve the user experience for former employees. The changes include the inclusion of multi-factor authentication for added security and a new Fluid interface.

Reports

- **New Report: UC San Diego Org Chart Listing Report** – Human Resources Non-restricted
 - The UC San Diego Org Chart List Report displays the UCPATH [Reports-To] Position based hierarchy for all active employees. All Primary and Secondary positions are included. The report can display a single employee, a manager and their team, a Department, or VC, or even the entire University. This non-traditional Org Chart report is well-suited for downloading to Excel where you can easily filter on the multiple reporting levels.
 - Report data is currently updated weekly via spreadsheet upload. However, this will become nightly once a new EAH view is available from the BIA Team. The new view will also improve report performance time which is currently slower than average.
 - Please note, some UCPATH [Reports-To] data may incorrectly show active employees reporting to either inactive positions or even employees who are fully separated from the University. These issues are highlighted on the main report page and fully listed on the “Inactive Reports To” page.
- **Employee Lookup Report** – Human Resources Restricted
 - Name Prompt search improved to include variations on special characters.
- **Employee Roster Report** – Human Resources Non-restricted
 - Name Prompt search improved to include variations on special characters.
- **UC Learning Center - Required Training Status** – Human Resources Non-restricted
 - BUS-49 Cash Handling Training activity list update
- **UC Learning Center - Required Training Status Report for Supervisors** – Human Resources Non-restricted
 - BUS-49 Cash Handling Training activity list update
- **UC Learning Center - Training Activity Completions Report** – Human Resources Non-restricted
