This is a time for courageous decision making, goal setting and taking action.

Tom Atencio recently received $99,259 for a project to improve the U.S. Army workforce focus on strategic goals.

Congratulations to Melissa Hayes, who was noted as one of those individuals. Melissa, we thank you for your continued dedication to Mason.

At a recent student virtual lunch, Vice President of University Life Rose Pascarell asked if any students would like to "shout out" someone who they are engaged, they use discretionary effort.

"They don't just work for a paycheck, or the alternative, the definition of 'apathy,' according to Forbes.com is "lack of interest, enthusiasm or concern.'

This is a time for courageous decision making, goal setting and taking action.

According to the counts noted on CNN.com, on Tuesday, a week before Election Day, early voters so far are younger and more racially diverse. More than 65.5 million votes have already been cast across the country, surpassing the 58.3 million total pre-election votes cast in 2016. That's almost half of the 130 million total votes projected.

Amendment of the Constitution. It's time to vote.

It's easy to just talk about what you might do or even to avoid difficult decisions altogether rather than just for the next promotion, but work on behalf of the organization's goals. When employees care, when they are engaged, they use discretionary effort.

When defining 'apathy,' Google offers 'lack of interest, enthusiasm or concern.'
