High school students will participate in STEM workshops as well as enhancement sessions including college preparation and career development. Females of Color and those Underrepresented in STEM (FOCUS) Academy (virtual) on August 9, 2021 - August 13, 2021.

Orientation and fully prepares you for life as a Mason Science student. Transfer students are invited to join us for an interactive, virtual bridge session that builds on New Student Orientation.

Participants (6 through 8 graders) engage in four different interactive and hands-on STEM workshops and on the last day, the participants present what they learned in these workshops in a conference-style setting.
