A WORK FROM YOUR CAMPUS DIETITIAN

Each month we highlight a food to incorporate in your diet that gives your body feel-good nutrients for improved immune and hormone function, stress recovery, energy, and mood. This month we're featuring **oats**!

TIPS: Add mix-ins to your hot or overnight oatmeal, such as sunflower butter, chopped bananas or apples, nuts or seeds, granola, berries, milk, or yogurt. Oats have the same nutritional value whether cooked or chilled. Try oats in diverse ways: use oats in a savory meatloaf, a breakfast bowl, or as an apple crisp topping. The options are endless.

Feel Good Foods: Oats

Jan. 30 | 12 pm - 2 pm | Shenkman Hall

Look for feel good food menu items in the dining halls all January long.
