Save the Date: Fourth Annual ScienceConnect
Wednesday, August 26, 2020 | noon to 3 p.m.
Friday, August 21, 2020 | 9 a.m. to 4 p.m

Gradstravaganza

Researchers who study marine mammal health have noticed a curiously high number of deaths in recent years. A team of Mason scientists, including lead researcher Lance Liotta, have been tracking seals as early as 1988.
