Proposed Handbook for Integrity Issues

Volunteer Needed

Please volunteer to help the Committee on Academic Integrity write the College’s proposed handbook for faculty and students. The handbook is expected to cover topics such as plagiarism and academic misconduct.

In Honor of Mason’s bicentennial year and the 50th anniversary of Mason, the College of Science is hosting a series of events that celebrate the achievements of faculty and students. The series includes a lecture on cancer treatment and research, a colloquium on computational social science, and a seminar on the properties of inorganic-organic hybrid nanoparticles for materials development.
