Lessons on How Not to Disrupt Crime

Most investigations of transnational criminal networks follow a known group or commodity such as the Italian Camorra, Chinese triads, or rhino or elephant poachers. By having a focus on key actors and commodities, much falls outside the attention of investigators. This fascinating analysis of a global Romanian crime group reveals a gaping hole in our transnational crime investigations.

CINA Summer Research Team

Welcome to Frank Xu of University of Baltimore's School of Criminal Justice and Duminda Wijesekera of George Mason University's Volgenau School of Engineering to the CINA Summer Research Team.

The program seeks to engage faculty led teams of undergraduate and graduate students, in research that provides opportunities to better understand the mission and research needs of DHS, strengthen the talent pool of scientists and engineers, and conduct collaborative research of mutual interest to the Team, the DHS Center and DHS.

The purpose of the U.S. Department of Homeland Security (DHS) Summer Research Team (SRT) Program is to increase and enhance the scientific leadership at Minority Serving Institutions (MSIs) in research areas that support the mission and goals of DHS.
