A MESSAGE FROM THE PRESIDENT

Dear LSU Community,

Welcome to September, the month when everything seemingly starts anew. It is a time to reflect on the past and embrace the potential that the upcoming nine months offer. As we move into the fall semester, I am encouraged by the resilience and adaptability of our students, faculty, and staff.

This past summer was one of unprecedented challenges. The COVID-19 pandemic disrupted our plans for the start of the year, and hurricanes disrupted our first week of classes—but they haven't stopped us. The ongoing pandemic has changed campus life, and last week's hurricanes significantly disrupted the start of the semester. Despite these obstacles, our community has come together to support each other and continue our education.

The past few weeks have been a rollercoaster of changes, and I know that none of us are immune to the stress and anxiety that come with them. I promise you that none of us at LSU takes the trust you've placed in us lightly. We are committed to providing a safe and inclusive environment for all members of the LSU community.

As we move forward, the health and safety of our students, faculty, and staff is our top priority. The Roadmap to Health continues to be our guiding document, and we are committed to providing the most up-to-date information regarding COVID-19 and related protocols.

The fall semester is an exciting time for everyone at LSU. For our new students, it's a chance to find their place on campus! LSU has over 400 student organizations, and we're working to ensure that there are opportunities for everyone to get involved. Does your Tiger want to get involved but is not sure where to start? Joining an organization is a great way to meet new people and learn more about LSU and your chosen field of study.

The Tiger Year One program for students who are in their first year at LSU is an especially great program for students interested in leadership development. Through small group discussion, service events, and visits to organizations and their events, students have the opportunity to examine who they are, what they can do to lead and influence others, and how they want to make a difference in their careers.

Virtual Involvement Fair is happening this week! Check out these dates and times for more info:

- September 4: Virtual Involvement Fair, 4:30 p.m.
- September 7: September's TigerCASH Lagniappe promotion comes online.
- September 14: Virtual Involvement Fair, 4:30 p.m.
- September 21: September's TigerCASH Lagniappe promotion comes online.
- September 22: Virtual Involvement Fair, 4:30 p.m.
- September 29: Virtual Involvement Fair, 4:30 p.m.

The Virtual Involvement Fair is a great opportunity for students to learn more about LSU's student organizations and find the ones that best fit their interests. Remember to click on underlined events to learn more about them.

These students reach out to parents, friends, and alumni of LSU and ask them for monetary support. This position is great for any student's major, as it helps to build communication and networking skills and allows the EAs to network and connect with people of all backgrounds. The pay rate is $9/hour. Interested students can email their resume to sss@lsu.edu.

It's important to note that TigerCASH's monthly Lagniappe promotions are back! Each month will have a different promotion or position to participate in a 2020-21 Service Break when applications open on September 14. Positions will be posted to the Service Break website. Apply one at a time, and this will also be updated on our website at lsu.edu/roadmap.

Parking Permits & Citations: If you do not have TigerCash in the amount needed to purchase a parking permit, then you are responsible for paying the difference. Parking permits are issued by TigerCash. Proper permit in the windshield of vehicle. LSU is committed to providing all students with information and to apply. Applications close September 8.

Is Your Tiger Looking for a Way to Get Connected?

Volunteer LSU's mission is to promote and coordinate volunteer opportunities, build partnerships within the community, and instill within its members a lifelong commitment to service. Visit Volunteer LSU online.

Warmly,

[Signature]

P.S. In these challenging times, it's more important than ever to support your loved ones. If your Tiger is facing any challenges, please encourage them to reach out to Student Support Services here.

Sincerely,

[Signature]

P.S. More impactful we can be in our efforts to contain the virus. If you or someone you know has tested positive—whether you're on campus or at home—please contact your appropriate school or office for guidance on how the Roadmap to Health can support you. We are conducting contact tracing and notifying those who have been in close contact with someone who has tested positive—those people will be instructed on how to safely isolate or quarantine, regain their health, and stay on campus. LSU is committed to providing all students with virus testing regardless of their ability to pay. LSU is committed to providing all students with virus testing regardless of their ability to pay. LSU is committed to providing all students with virus testing regardless of their ability to pay.

The Health and Safety of Our Community

Moving forward, the health and safety of our students, faculty, and staff is our top priority. The Roadmap to Health continues to be our guiding document, and we are committed to providing the most up-to-date information regarding COVID-19 and related protocols.

The Roadmap to Health

LSU is committed to providing the most up-to-date information regarding COVID-19 and related protocols. The Roadmap to Health is our guiding document, and we are committed to providing the most up-to-date information regarding COVID-19 and related protocols.
