A NOTE FROM THE PRESIDENT

Dear Parents and Families,

I hope you and your LSU student are doing well. This past Labor Day weekend was a time of relief and reflection for many. As autumn sets in, I hope you find time to relax and enjoy the fall season. I want to thank you, our亲爱的 parents, for your ongoing support of your children at LSU.

We are all aware of the challenges we face as we begin the semester, including the impact of the ongoing pandemic on education. As we enter the second year of a global pandemic, we are committed to striving for the health and well-being of our students, faculty, and staff. We continue to work collaboratively with state and local health authorities to implement COVID-19 protocols to help ensure the safety of our campus community.

Please review LSU’s COVID-19 Protocol, which outlines a range of protocols for testing, contact tracing, and quarantine and isolation. Since狮子王 students and faculty are required to test twice per week, please visit lsu.edu/roadmap/health/symptoms to review testing center hours and schedule a test.

As you may know, highly infectious Delta variants of COVID-19 are circulating in the Baton Rouge area. A positive case was reported on campus on Sunday, August 28. Our student's positive case was reported to us not when the virus was contracted but when it was detected. We do not know the source of this student's infection. The university and the LSU Foundation do not disclose personal information about students or employees.

While health insurance typically covers COVID-19 testing, students who are not eligible for insurance or are uninsured can be tested at no cost through the LSU COVID-19 Testing Center. A negative test result is required to return to campus. LSU has four COVID-19 Testing Center locations on campus that are available to students and families.

We hope your student is enjoying their fall semester so far. Check out these incredible student leaders as we continue to build a great campus community together. LSU is committed to providing the most up-to-date information regarding COVID-19 and its impact. The safety of our students and staff is and always will be our number one priority.

Thank you for your continued support of LSU as we navigate this unprecedented and unprecedented time. We look forward to working together to ensure that each student has a successful fall.

Moving forward, the health and safety of our students, faculty, and staff will continue to be our top priority. We will communicate information about Fall Family Weekend once it is finalized.

Please visit lsu.edu/roadmap/health/symptoms for more information.

LSU Interim President and Professor of Law

September update

Welcome Back, Tigers!

Highly infectious Delta variants of COVID-19 are circulating in the Baton Rouge area. We have had 11 positive cases this week with 8 of those cases reported to us on Sunday, August 28. The university and the LSU Foundation do not disclose personal information about students or employees.

While health insurance typically covers COVID-19 testing, students who are not eligible for insurance or are uninsured can be tested at no cost through the LSU COVID-19 Testing Center. A negative test result is required to return to campus. LSU has four COVID-19 Testing Center locations on campus that are available to students and families.

We hope your student is enjoying their fall semester so far. Check out these incredible student leaders as we continue to build a great campus community together.

CAMPUS HIGHLIGHTS

Volunteer LSU's mission is to promote and coordinate volunteer projects at the LSU Student Union.

Volunteer LSU: 479 LSU Student Union Manager, Parent & Family Programs

Lindsay McCrory

 Update

Click positions or to participate in a 2020-21 Service Break when applications open on September 11. TrueRemove yields resume-worthy experiences, establishes networking skills, and provides students the opportunity to sharpen their leadership skills and apply their leadership to high levels of care. The fall program is available to assist in volunteer opportunities.

The LSU Interim President and Professor of Law, Dr. David Thomas, asks you to help launch them into a successful semester, both mentally and physically! More impactful we can be in our efforts to contain the virus. If you are in a position to give, please consider giving to the LSU Foundation.

Olinde Career Center: 225-383-2665

The Olinde Career Center is available to assist in various service projects. Geaux BIG is planning ways to serve for the Spring 2021 semester. To see the 2020-2021 schedule, please visit our website.

Student Support Services: 225-578-1173

These students reach out to parents, friends, and alumni of LSU and ask them for monetary help.

TrueRemove: 225-578-1173

LSU Food Pantry: 225-383-2665

The LSU Food Pantry provides any assistance needed to help ensure they're able to park their vehicle in their correct zone, in an authorized parking space, and must display the transloc app on Apple or Android devices to monitor arrival and departure accordingly to allow for anticipated delays.

Student Union has two dedicated places for students to comfortably attend online classes or to participate in a 2020-21 Service Break when applications open on September 11. TrueRemove yields resume-worthy experiences, establishes networking skills, and provides students the opportunity to sharpen their leadership skills and apply their leadership to high levels of care. The fall program is available to assist in volunteer opportunities.
