Feast of Our Lady of Guadalupe

Tuesday, 12.8.2020

The University Chaplaincy is pleased to announce the date for the annual Feast of Our Lady of Guadalupe. This feast day celebrates the Virgin of Guadalupe, whose image appeared to a peasant named Juan Diego on December 9, 1531. The image is believed to be a representation of the Virgin Mary, and it is considered a miracle by the Roman Catholic Church. The feast day is observed in the northern tradition on December 9, and in the southern tradition on December 12.

Additionally, there will be a Q&A with the group members afterwards. Please come and join us!
