The University Chaplaincy is a dynamic hub supporting religious, spiritual, ethical, and cultural life for all members of the Tufts community. We provide pastoral care, support religious and philosophical communities, educate about the importance of interfaith dialogue, and aim to create a community that values diversity and understanding. Our programs and events strive to provide a space where all can feel welcomed and supported, fostering a sense of belonging and community.

The Advent Season:
Advent, which begins on the Sunday nearest to the full moon before December 25th, is a period of four weeks in which Christians prepare for Christmas and meditate on the end of all time. In Western Christian tradition, Advent is observed in both the Protestant and Roman Catholic churches.
