Budget & Finance Support promotes training, tools, and communications to take full advantage of the financial answers to common questions.

Bookmark the page and use it as a reference guide when you need quick instructions on how to properly submit the request.

Expenditure Type?

Q

What is the difference between a Concur Expense Type and a PPM Category?

In the dialog box, click Supplier Site. Then, enter your Supplier's name, select your Supplier, and click OK. After that, you will be able to find the expenditure types in the list. To do this, you need to be logged in as the user in the system.

In , enter your Supplier's name. After that, select your Supplier's name and click the link next to the Supplier's name. Then, select your Supplier and click OK. After that, you will be able to find the expenditure types in the list.

A

Please be advised that the requester should no longer include the cardholder's home address within the New Card Request in Concur. Before you submit the application, please confirm the cardholder's residence address. We will be updating the Concur New Card Request.

Process Change for Shipping a New Corporate Card to a Home Address

If you are noticing PO commitments on your PPM ledger, you may lift them by closing out the PO in Oracle Procurement. If the PO has not been invoiced, you may lift it immediately. If the PO has been invoiced, you cannot lift the PO commitments.

Lift PO Commitments in Oracle Procurement
