

**Omaha Gives is now
Do Good Week! April 19-24, 2021**

**Christ Child Society of Omaha is thrilled to be
included in Share Omaha's Do Good Week.**

We have much to celebrate! Our newest Christ Child scholars are about to graduate. Our board is reviewing 18 more scholarship applications. Plus, we just delivered 500 more diaper bags to agencies who work with new moms in need.

Share Omaha has created a unique theme on each of the days during this week of giving:

April 19: Mission Monday

Learn more about our mission that celebrates newborns and empowers their parents.

April 20: New Donor Tuesday

If you have never given Christ Child a gift, now is the time. Your gift could un-lock a cash prize.

April 21: Wish List Wednesday

Consider sending us something on our wishlist. Maybe it's a sleeper or onesie, baby board books or a thermometer. A new mom would be thrilled by your generosity.

April 22: Volun-Thursday

We are grateful for our volunteers and always welcome new members! Volunteers will be needed this summer to host unpacking parties and our next layette assembly will take place this fall. Stay tuned!

April 23: Fund It Friday

Help us hit a \$5,000 goal. That would cover another scholarship!

April 24: Celebration Saturday

Share Omaha celebrates a great week, randomly awarding cash prizes from FNBO and Omaha Steaks.

Thank you, truly, for your time and consideration!

Check out the Special Deliveries from Christ Child Omaha this month!

Our volunteers delivered bags to 21 organizations.

“We are so grateful for the precious bags you brought in for our new moms. They leave a huge impact... probably even more than you realize. Thank you!!”

Graduation is around the corner for another batch of Christ Child scholars.

Our scholarship committee is currently reviewing 18 more applications!

Happy Mother's Day From Christ Child Omaha!

Christ Child Omaha Teams Up with Skutt H.S. for THE DAY OF ACTION!

A massive assembly line set up inside Skutt H.S.'s gym allowed students to quickly pack 500 layettes. The diaper bags included onesies, sleepers, a digital thermometer, nail clippers, a baby board book, burp cloths, hooded towel, wash cloths and more!

In the distance, President Denise Snodgrass (in the purple) directs the students on where to place the bags so that the right amounts are delivered to our partner agencies.
