Tour the Oppenheimer Center for Entrepreneurship and Innovation

The Oppenheimer Center has been a gift to the Lake Forest College community, providing a flexible and dynamic space for our students and faculty working on new ventures. The Oppenheimer Center features spaces for entrepreneurs to think, do, and share, including open lounge and work areas for collaboration, design and development, and co-working areas for partnerships.

The Oppenheimer Center is named in honor of a gift from brothers Jim '65, Harry '66, and Ted Oppenheimer, and is a vibrant new space on campus for entrepreneurs and innovators. The Oppenheimer Center is located in the Oppenheimer Center for Entrepreneurship and Innovation.
