## **Tips & Tricks**

### **Arranging Moving Company Service**

Department move coordinators: Pay the UC contracted moving company for the new employee's move with your Travel & Entertainment (T&E) Card, and reconcile the transaction in Concur. To avoid declines, the department move coordinator/cardholder must have the moving company vendor Merchant Category Code (MCC) added to their card.

You can request to add the MCC by submitting a [Services & Support](#) ticket to Travel & Expense if that is the only request. If you also require a limit increase, you can notate it in the Comments

text field of a [T&E Card Action Request](#) in Concur.

Review [Blink](#) for guidance on how to arrange a moving company service for household moves with a direct link to the [KBA](#).

## Reconcile Expenses and Card Transactions

UC San Diego travelers, hosts, and cardholders must adequately account to the University for expenses within a reasonable period of time. Add expenses and move any pending card transactions from Available Expenses onto the proper Expense Report(s) and, as applicable, submit them for approval before the respective fiscal close cutoff dates.

Reminder:

- **Travel & Entertainment:** Report card transactions and related expenses on a [Travel/Event Expense Report](#) *within 45 days* after the trip or event has occurred
- **Procurement Card:** Reconcile card transactions on an [Procurement Expense Report](#) on a *monthly* basis
