The UC San Diego Financial Accounting Program Update

The UC San Diego Financial Accounting Program, in an effort to complement the campus-wide
UC San Diego Financial Accounting Program, is pleased to announce this new
level. This program is intended to replace the current level that is
covered in the course "UC San Diego Financial Accounting Program."

The UC San Diego Financial Accounting Program Application is currently
accepted. See the application deadline that appears opposite the
September 17th.

This year’s Get Connected will include applications policies from Get Connected to support more
employees and allow for more flexible applications. The program will be
available for the first time to employees who have not been
registered to complete the entire program or select courses.
