The application process and new link can be found here .

If you are interested, the application is open until this Friday, September 17th.

The UC San Diego Financial Accounting Program is currently accepting applications for the upcoming Fall 2021 session.

This course includes hands-on best practices of our own campus, which is a comprehensive way to prepare for your Oracle Procurement & Payables career.

The program is a comprehensive financial accounting program that offers training at a basic to intermediate level.

This program is intended to establish foundational knowledge.

We also recently updated the application platform from Google to Qualtrics.

This format for future office hours, so come with your ideas!

Please note the transition to Oracle Cloud’s Payables is required prerequisite for registration.

Our goal is to deliver timely information that matters to you.

The new Blink Page: Concur Tax Process

This new page will guide users through the Sales and the Taxable fields to determine the correct transaction type.

We have implemented the new Concur Tax Process Blink Page.

Business Meetings and Entertainment

Information regarding UC Entertainment Policy can be found on the UC San Diego website. The application process and new link can be found here .

Join the IPPS Team for the next session of Hot Topics! This is a monthly series dedicated to critical concepts and processes in Oracle Procurement and Payables. It focuses on topics such as reviewing for and populating POETAF information during the ordering process, approving requisitions and invoices, and checking PO invoice status. This course will be especially valuable for individuals responsible for those responsible for approving requisitions and invoices on behalf of their financial unit.

Please note the transition to Oracle Cloud’s Payables is required prerequisite for registration.
