Oracle Cloud Scheduled Maintenance
Starting Monday, September 20, the theme of the Global Header Icons will have an enhanced look and feel! This new theme is part of a larger Oracle initiated transition to a new User Interface (UI) that will be relevant to users in Oracle Cloud. In addition to the new theme, we will also be brainstorming topics and additional validation in your transactions, announcements, and reminders.

Please note the transition to Oracle Cloud Global Header Icons is a required prerequisite for registration.

The application process and new link can be found here.

We also recently updated the application platform from Google to Qualtrics.

The UC San Diego Financial Accounting Program is currently accepting applications for the Spring 2022 program. This program is intended to establish foundational knowledge that is consistent across the UC San Diego staff members who are in finance and accounting roles.

Our goal is to deliver timely information that matters to you.

The new Concur Tax Process Blink Page helps guide users through the Sales Tax Process in Concur. This online course will help users learn about the various requirements when handling taxability, the amount of tax that will be assessed, and other valuable information during the ordering process, approving requisitions and invoices, and checking PO invoice status. This course is especially valuable for individuals responsible for those responsible for taxability, approvals, and invoice status on a frequent basis.
