PCI Update and Continued Merchant Support

PCI and University policy, we appreciate your continued partnership with us!

Support Framework

The Support Framework is designed to help the Budget & Finance community, including faculty and staff with financial responsibilities, identify their resources based on the following questions:

Where do I go to get help?

Go to the Business Analytics Hub and the BI & Financial Reporting section under Business Analytics Hub.

How do I find the most recent transactions on my project?

Enter an appropriate justification and click Submit. Use the Most Recently Used section from the drop-down menu. A chart string or project search will summarize guidelines and on-demand resources.

Edit project details

If a ticket is submitted to re-open a closed project, the request is processed, and the project is re-opened. The officer involved in the project will be listed as a watcher on the ticket.

How can I go about making a change on my default chart string or project information?

Add a change to the default chart string and project information; and/or enter the split amounts (the total of both lines must equal the quantity of the original transaction). Enter the split amounts (the total of both lines must equal the quantity of the original transaction). Make sure you have permission to split the transaction.
Each Tuesday, the Weekly Digest provides important updates related to Budget & Finance, including Oracle Financials Cloud and Concur Travel & Expense. Our goal is to deliver timely information that matters to you. Not sure where to find answers? Get started using our Support Framework.
