### Procurement Card Policy Exception Update

On October 1, 2022, the process for purchasing food for Student Programmatic Activities will fully transition from the Procurement Card to the Travel & Entertainment Card (T&E-Card) - the appropriate corporate card for this type of expense. US Bank will automatically remove food-related MCC exceptions on all Procurement Card accounts by the cutoff date. This

transition will only impact cardholders who were granted an exception to purchase food for Student Programmatic Activities with a Procurement Card and currently have food-related Merchant Category Code (MCC) restrictions lifted on their account.

To prepare for this transition, please check the status of your T&E-Card to make sure it is active. If you do not have a T&E-Card, apply today to ensure it reaches you before the cutoff date. Visit the [Travel and Entertainment Card](#) Blink page for application guidance and FAQs.

# Campus Budget Office Updates

## **FY23 Final Budget Data Now Available in OFC**

The FY23 Final Budget from Oracle Planning and Budgeting (EPBCS) is **now available** for viewing and reporting in the OFC-production environment. As a reminder, core resources from the Campus will no longer be allocated on a monthly (1/12)

basis and are now allocated annually as a lump sum amount (starting July 1, 2022). In line with this change, the total annual budget including all funds planned has been loaded to the Jul-22 period in OFC production.

Budgets and core resource allocations in fiscal years 20/21 and 21/22 will remain posted as monthly (1/12) increments for historical purposes in OFC. Monthly budget data for all fiscal years is available in EPCBS.
