Annual Survey for UC's Systemwide Travel Program
The Central Travel Office continues to promote the travel program, across all 10 UC campuses and 5 medical centers, by offering UC travelers access to many value added benefits, such as priority boarding, preferred seating and upgrade opportunities.

In our efforts to manage ongoing relationships with many major airlines, hotels and car rental companies, we would like your help in assessing the program by completing this survey by January 18th, 2023.

In appreciation of your time, we will hold a drawing for the following items: Grand Prize winner will receive TWO (2) United Airlines tickets for travel anywhere in the world. FIVE (5) winners will receive Southwest Airlines "A-List" status upgrades (full terms and conditions can be found in the survey link). Only UC email addresses will be eligible for these giveaways. Your ongoing support of the travel program is valued and appreciated.

Southwest Airlines - Operational Recovery

Southwest cancellations over the holiday season affected millions of travelers, but they have begun on the road to operational recovery. Southwest continues to offer solutions for disruptions and in an effort to restore confidence, they are diligently working to assist all travelers in the following ways:

Southwest Airlines is providing:
- Refunds of unused, impacted tickets upon request
- Reimbursement for other reasonable travel expenses (e.g. hotel, other airline tickets, rental car, food, etc.)
- 25,000 Rapid Rewards points for each paid, ticketed flyer on affected reservations (including flights booked with Rapid Rewards points)

Award codes and instructions for redemption were emailed directly to affected customers recently. Please visit this page for more.

Cost Transfer Workflow
Reminder that with the new Cost Transfer workflow enhancements, you may see some workflow steps showing as automatically rejected by "workflowsystem"; these can be disregarded. Instead, look for the current "assigned to" and if applicable, see "future assignee".

Travel Requests and Travel Expense Reports
Please note that Travel reconciliation in Concur is a two-step process. The first step is to preauthorize your trip by submitting a Travel Request and having it approved (KBA). Once your Travel Request is approved, you can then create a Travel Expense Report to claim all trip-related expenses (KBA).

Both steps must be completed in order for the traveler to be reimbursed. Note that mileage-only reimbursements do not require a Travel Request.
For Travel and Entertainment-related charges, expense reports should be submitted within 45 days after the trip or event has occurred. All expenses related to the trip should be on the same expense report. All expenses related to an event are also to be claimed on a single report.
