### Development of Dashboards

The development of a full set of dashboards for fund manager task execution.

The results of the Fund Manager Reporting workgroup and the roadmap for future development.

#### Future of Fund Manager Reporting

The pages on this dashboard track report executions, distinct users, most used events and error metrics for OTBI reporting within the Oracle BI tools. The New OTBI Performance Panorama is dedicated to tracking performance and efficiency.

Click to access the Office Hours, Instructor-Led Training sessions, and Hot Topics. Be sure to try out the New OTBI Performance Panorama.

Please note the following changes:

- The Financial Unit Approver.
- A delegate, given Delegation of Authority by a cardholder, cannot submit an Expense Report as the Supervisor or the Financial Unit Approver.
- A cardholder cannot submit an Expense Report and approve that same report as the Supervisor or Financial Unit Approver.
- Concur Expense Reports in a timely manner or having outstanding aging Cardholders with limits lowered to $1 due to noncompliance of submitting invoices in a timely manner.
- Cardholders with limits lowered to $1 due to noncompliance of submitting invoices in a timely manner.

Procurement Card Policy

Cardholders with limits lowered to $1 due to noncompliance of submitting invoices in a timely manner.

You've asked and we've listened! We are excited to announce that some Cost Transfers were showing as "Pending Approval" in the UI on the Adjustment History page, even though they had been approved.

For more information about NGN charges, please refer to the NGN Communication Access Billing.
