you need the card mailed to a different address, please follow the instructions. T&E Card applicants may submit their application via this link.

If you have not received your new T&E Card, please contact IPPS via Services & Support. Renting a car in Concur will automatically include UC's insurance and contracted rates for business travelers. Travelers may be asked to provide UC identification at the time of pick-up to ensure the car is for a verified business contract. Business bookings, but the business-related insurance is not included.

The way to rent a car for personal travel is to open a personal account in Concur and then use the UC Insurance option. This will ensure that you have the correct insurance coverage for personal travel. If you are unsure if a trip is for personal or business, please be sure to review the UC Travel Policy.

Stay balanced and keep all your options open.

Connexxus Resources

UC San Diego

WalkMe-acre extension page showing a feature and tips for using it.

On this page, you can learn about the following:

- WalkMe of the Week: This section highlights a specific WalkMe feature or tip that you can use to improve your experience with the platform.
- WalkMe Hot Topics: This section provides information on upcoming events or topics that you can participate in or learn about.
- WalkMe Testimonials: This section features reviews and feedback from users who have used the WalkMe platform.
- WalkMe Resources: This section includes links to additional resources and information about WalkMe.
- WalkMe Support: This section provides contact information and support options for users who need assistance with the WalkMe platform.

Have your Praxair account number handy. The 8-digit number can be found on the label of the product or on a receipt. This number is necessary for ordering dry ice and liquid nitrogen from Praxair. If you do not have this number, you can find it by logging into your Praxair account or by contacting your account representative.

Dry Ice and Liquid Nitrogen orders require a DIRECT Ship-To address in the list of UC campuses, which can be found in the Dry Ice and Liquid Nitrogen order form.

Please use the Goods – Multiple Shipments form when submitting a requisition for multiple shipments. This form will help you track the delivery of your goods and ensure that they arrive on time. If you want to group line items together, you may do so in an amount-based or quantity-based request form.

If you are ordering a specific type of dry ice or liquid nitrogen, please be sure to specify the type in the Description field of the requisition. This will help ensure that you receive the correct product when it is delivered.

The Description field can be used to notate quantity, frequency of delivery, and other necessary information. This will help you track your inventory and avoid any potential shortages or surpluses.

The Ice Team, UC San Diego

You can track your order's status by checking the status tab on the Praxair website or by contacting your account representative. If you have any questions or concerns about your order, please reach out to the Ice Team at 858-822-4744 or by emailing them at ice@ucsd.edu.

If you would like to place an order for dry ice or liquid nitrogen, please contact the Ice Team at 858-822-4744 or by emailing them at ice@ucsd.edu. You can also visit the UC San Diego Travel website for more information on ordering these products.

For order updates and news, please visit the UC San Diego Travel website or contact the Ice Team at 858-822-4744 or by emailing them at ice@ucsd.edu.
