Campus Closure

IPPS Office Hours Schedule

With the holiday closure approaching, IPPS will not be hosting Office Hours this Wednesday, December 22, 2021. Procure-to-Pay and Travel & Expense Office Hours will resume on Monday, January 3, 2022.

The Managerial Reporting Account Hierarchy is Getting a Refresh!

A campuswide workgroup reviewed the existing Managerial Reporting Account Hierarchy to ensure that account numbers were falling under the appropriate hierarchy numbers. As a result, additional account groupings that were identified were identified once if not identified in the new OFC hierarchy. This has been an in-depth exercise given the size and complexity of the various business needs across the organization.

Generally, any net position total would not change from the prior version of the hierarchy to the new version. The primary change is the inclusion of capital equipment accounts, so that reports no longer need to point to both the standard and managerial hierarchies at the same time. There were minor shifts between the Total Resources and Total Expenses parent groupings as well as the inclusion of various new parent groupings where appropriate.

Impacted BAH Reports:

- Budget and Financial Management Reporting Panorama
- Budget vs. Actual
- Net Operating Results and Fund Balance
- Financial Deficit Report - Operating Funds
- Core Recurring Final Budget by Year
- Managerial Reporting Account Hierarchy
- Project Panorama - GL Project Balances
- Faculty and Researcher Panorama - GL Summary Table and Non-Sponsored GL Expanded Project Summary

Concur and Google Chrome Autofill

When using Concur in the Google Chrome browser, it is recommended to turn off Google Autofill in order to avoid any problems with selecting or saving chart string values within the form fields. The directions to do so can be found below:

1. Open the Settings in Google Chrome
2. Select Autofill from the left-hand navigation bar
3. Select Addresses and more
4. Uncheck the Save and fill addresses slider

Managing Concur Commitments

If you have any Travel or Event Requests that are associated with a project, and all associated Expense Reports have been processed, then the Travel/Event Requests may be closed to lift the commitments. Concur users/delegates can do so by following these steps:

1. Navigate to the Travel/Event Request in Concur
2. Click Close/Inactivate Request at the top right of the open Request

As a reminder, Concur Requests will automatically close at 120 days. For more information on viewing and lifting commitments, please review our Blink page.
