Campus Closure

As a reminder, during the 2021 holiday season, UC San Diego (excluding the hospitals and clinics) will officially close for seven days between Thursday, December 23, 2021 and Friday, December 31, 2021. Please read more about the Campus Closure here.

IPPS Office Hours Schedule

With the holiday closure approaching, IPPS will not be holding Office Hours this Wednesday, December 22, 2021. Procure-to-Pay and Travel & Expense Office Hours will resume on Monday January 3, 2022. Review Blink for the Office Hours schedule.

The Managerial Reporting Account Hierarchy is Getting a Refresh!

A campuswide workgroup reviewed the existing Managerial Reporting Account Hierarchy to ensure that account numbers were falling under the appropriate hierarchy to reflect the revised account structure. The changes identified were significant enough that they were identified outside of the new OFC environment, so that they would no longer need to be linked to both the standard and managerial hierarchies in the same reporting needs. This has been a necessary step for our data system, given the size and complexity of UC San Diego’s various business needs across the organization.

Generally, net position total should not change from the prior version of the hierarchy to the new version. The primary change is the inclusion of capital equipment accounts, so that reports no longer need to point to both the standard and managerial hierarchies at the same time. There were minor shifts between the Total Resources and Total Expenses parent groupings as well the inclusion of additional parent groupings relative to prior structure.

Impacted BAH Reports:

- Budget and Financial Management Reporting Panorama
- Budget vs. Actual
- Net Operating Results and Fund Balance
- Financial Deficit Report - Operating Funds
- GL Project Summary by Fin Unit
- Total Budget Summary (Full Version)
- Core Recurring Final Budget by Year
- VC Core Recurring Expense Budget
- Managerial Reporting Account Hierarchy
- Project Panorama - GL Project Balances
- Faculty and Researcher Panorama - GL Project and Non-Sponsored GL Project Summary

As a reminder, Office Hours are recorded and can be found on our UC San Diego Budget & Finance YouTube channel.

Concur and Google Chrome Autofill

When using Concur in the Google Chrome browser, it is recommended to turn off Google Autofill in order to avoid any problems with selecting or saving chart string values within the form fields. The directions to do so can be found below:

1. Open the Settings in Google Chrome
2. Select Autofill from the left-hand navigation bar
3. Select Addresses and more
4. Uncheck the Save and fill addresses slider

Managing Concur Commitments

If you have any Travel or Event Requests that are associated with a project, and all associated Expense Reports have been processed, then the Travel/Event Requests may be closed to lift the commitments. Concur users/delegates can do so by following these steps:

1. Navigate to the Travel/Event Request in Concur
2. Click Close/Inactivate Request at the top right of the open Request

As a reminder, Concur Requests will automatically close at 120 days. For more information on viewing and lifting commitments, please review our Blink page.
