New Internet Speeds!

SITES OF THE MONTH

You've heard right! Hartelco has released new internet speed packages for our customers! You can now choose from 4 new, faster, internet speed packages which will no longer require a landline phone.

These new speeds will be 25 Mbps for \$69.95, 50 Mbps for \$99.95, 75 Mbps for \$129.95 and \$100 Mbps for \$159.95. Customers that would like to stay on their old "bundled" packages are able to do so, although by switching you can get a faster speed for a cheaper price! Today we are using the internet in so many different ways, everyone is in need of more speed!

Free Long Distance with Hartelco VoIP

SITES OF THE MONTH

Hartelco is also excited to have released a new product! We are now introducing VoIP! If you are interested in keeping your landline phone, then VoIP is the cheaper option VoIP is your more budget friendly option! It is only \$20 a month (with less taxes than traditional landline) and the best part is all your long distance is FREE (within the main 48 states)! Calling features are FREE! Your 254 number will remain the same, and there will be no changes on your end at all! We hope that by switching to VoIP, not only will your phone services improve but your experience will improve with minimizing costs and maximizing customization of calling features!
