Announcements

- This week we will have open Q&A. Bring your questions and struggles. Nothing a fund manager does is off the table.
- For support on how to use this report: Default Project Payroll Blink page
- Visit the Default Day Announcement section in the BI & Financial Reporting section of Blink, which showcases a consolidated view of Office Hours, upcoming events, and new reports.
- For support on the release, contact Support Framework.

Tip & Tricks

- If you have trouble navigating the interface, try downloading the latest version of the default project payroll report. It's also available as a report on the filed template forms.
- Make sure your detailed questions are at the end of the email.
- You can also submit your question via the support email. We'll send you an email response.

We encourage you to attend and bring your questions to the meeting. Let's work together to make sure everyone understands the budgeting process.

Training & Support

New Release: How to Resolve COA/POETAF Failed Validation Errors in Concur

- There is no need to lock the budget system for entry and will become view-only for budget preparers.
- Where can I download a copy of the document?
- To download any document, visit the document's page on our website.

Introductory Webinar: How to Use the Business Analytics Hub

- The Webinar will be available on our website.
- Visit the Event Calendar for our next webinar.

Tips & Tricks

- Make sure to export the document to your computer before submitting.
