Announcements

New Release Available: Default Project Payroll

We are excited to announce the new Release of Default Project Payroll, which provides the flexibility for各单位 to apply payroll to non-project fund IDs without a Project ID.

Where do I go to submit an enhancement or idea?

To submit an enhancement or idea, please contact us at: 

The Support Framework is designed to help the Budget & Finance community, including faculty, Approvers, and transactors. It is a comprehensive resource that offers answers to Frequently Asked Questions (FAQs) related to financial processes and systems at UC San Diego. The Support Framework is regularly updated and includes detailed guides, video tutorials, and contact information for various support teams.

We will answer your questions or find a solution together.

To access the Support Framework, visit the following link: 

[Support Framework]

We look forward to helping you with your queries and ensuring a smooth financial experience at UC San Diego.

Introduction to Equipment Life-Cycle Management

We cordially invite you to attend the Introduction to Equipment Life-Cycle Management webinar. This webinar is designed for staff, faculty, and the research community to provide guidance on the essentials for managing inventorial equipment (property) owned by or in the custody of UC San Diego. No registration is required.

When: Thursday, March 31, 2022

Time: 8:30am - 9:30am

Webinar URL: [Zoom]

We hope to see you there!

Hot Topics - Supply Chain Updates

 IPPS is excited to announce the next Hot Topics webinar! For this session, we will focus on the impact of supply chain disruptions. The webinar will provide insights into strategies for navigating procurement challenges and maintaining business continuity.

Tips & Tricks

Table Formatting: How to Display General & Non-General Budgets

- To display General & Non-General Budgets in the table, add a Project ID column to the table.
- To modify the table formatting, click on the "Format Table" option in the upper right corner of the table.
- To filter the table, use the "Filter" option in the upper right corner of the table.
