[Food Safety Starts With You: Handwashing](#)

Food safety tips for summer meal programs. Practicing proper hand hygiene reduced the risk of both food borne illness and COVID-19. Educate staff on proper hand washing: Wash hands with warm water and soap for at least 20 seconds then rinse and dry with a clean towel or cloth. [Click here](#) to review when staff should wash their hands. Download handwashing posters and order free printed materials [here](#).

[New feature alert for the Food Buying Guide Interactive Web-based Tool](#)

Team Nutrition is excited to announce that users can now view the meal pattern requirements per meal component for a selected Program and age/grade group while using the FBG calculator. This feature allows for easy access to helpful meal pattern guidance to assist in creating shopping lists.

[New Limited English Proficiency \(LEP\) tool](#)

The U.S. Department of Justice's Federal Title VI Interagency Working Group (IWG) – Limited English Proficiency Committee has developed a new tool to improve access to websites and digital platforms for individuals with limited English proficiency (LEP): Improving Access to Public Websites and Digital Services for Limited English Proficient (LEP) Persons.

[New Team Nutrition Meal Components Web Quiz](#)

USDA's Team Nutrition initiative is excited to announce the release of the Meal Components web quiz. This quiz is now available and focuses on meal components and meal pattern requirements for all Child Nutrition Programs.
