PRINCIPAL'S UPDATE

Dear EVHS Community,

As we step into spring and see less snow (hopefully) and more sunshine, things seem to become even more active in school.

Principal
Greg Doan

Academically we are in the process of getting all students course selections for the 2022-23 school year. We have already distributed to students their scheduling worksheet, discussed the process during homeroom, and hosted an electives fair for students to discover more about their choices. With the support of our Counseling Department all students will begin entering their selections. If you want to know more you can see all the academic planning information on our website under the Academics tab of our website ([click here](#)).

Athletics already have six different varsity sports practicing and competing. It becomes incredibly congested as we have the most number of teams (boys/girls lacrosse, boys/girls track, girls soccer) all vying for use of our stadium at the same time. These are also some of our largest teams and represent over 300 student athletes that will be participating during the spring season alone.

Activities are also very active with the spring drama production "The Addam's Family Musical" set to perform March 24-26 at 7:00pm (and a matinee March 27 at 2:00pm). This should be a really fun show that is appropriate for all ages. The other huge right of passage each spring is of course the Junior/Senior Prom. Everyone will be dressed up and looking their best on

YEARBOOK

We still have a few yearbooks for the 2021-2022 school year available for purchase!

Yearbooks can be purchased online at [Jostens.com](https://www.jostens.com), and search for our school name and city under the "FIND MY SCHOOL STORE" search bar. The yearbook staff has worked extremely hard to capture this momentous school year! Don't

Saturday, April 30th at the Marriott Resort in Lionshead Village.

Assessments are another aspect of the springtime adventures in high schools. As part of our CDE requirements we will be administering the PSAT9, PSAT10, SAT11, and CMAS Science exams. Wednesday, April 13th and Thursday, April 14th will be the dates students complete these assessments. There will be no regular classes on these days as we have to dedicate 100% of our staff and facilities to administer the tests.

So if you haven't already, I advise that you buckle up and get ready for a fun ride as we experience the crazy, hectic, awesomeness that is springtime in schools!

miss out on this opportunity to celebrate the memories with your student. If you have any questions, please reach out to the yearbook adviser at joy.hamilton@eagleschools.net, or contact Jostens Customer Service at 1-877-767-5217.

EVHS Boys Soccer

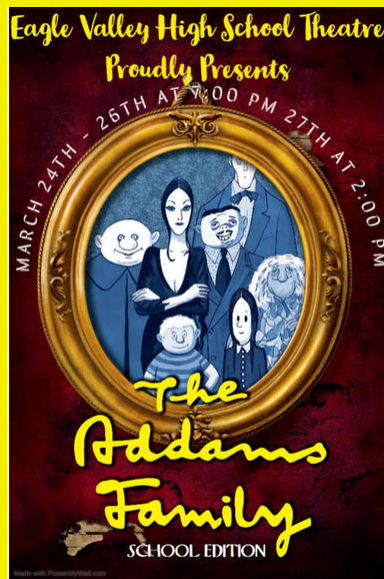

is about to start offseason conditioning! Use the Remind code EVHSBSOC or text @evhssoc to the number 81010 to get schedule updates and offseason news.

Volleyball

open gyms are beginning in April. Contact coach

Garvey @ michael.garvey@eagleschools.net if you are interested in participating

Eagle Valley High School presents "The Addams Family" March 24-27 - 7:00 pm

\$12 General Admission

\$5 with employee or student ID card

HAVE CLOTHES?

You know those clothes hanging in your closet and at the bottom of your dresser that you will never wear again? Why don't you give those clothes a second chance at life and donate them to the EVHS clothing swap? Your donated clothes will be set up in the cafeteria on April 15th from 5 to 8, where anyone can come in to get some new fashionable clothing.

The goal is to keep all these clothes out of the trash and give them a new home! You can leave your donated clothes in the front office or send your address to NHS members, Ana Garcia or Jada Abbott, and they can pick up the clothes from your house. Contact NHS with any questions or additional information.

How Sick is Too Sick?

When Children and Staff Should Stay Home from School or Child Care Evaluation of a sick child must consider which diseases are currently circulating among students, staff, and the community. Known exposure to cases or an outbreak of a contagious disease (including but not limited to those listed here), even without a confirmed diagnosis, may necessitate more stringent return to school requirements. During Colorado's ongoing response to the COVID-19 pandemic, children and staff who have symptoms consistent with COVID-19 should receive testing, and follow the COVID-19 isolation guidance until testing is completed or if they test positive. If the individual tests negative for COVID-19, the individual should then follow the recommendations for their disease or symptoms using the below guidance.

There are four main reasons to keep children and adults at home:

1. The child or staff is at risk of infecting others with COVID-19 or another contagious illness, either because of symptoms or recent close contact.
2. The child or staff member does not feel well enough to take part in usual activities. For example, a child is overly tired, fussy or will not stop crying.
3. A child needs more care than teachers and staff can give while still caring for the other children.
4. The child or staff member has symptoms or an illness is [on this list](#), and staying home is required.

SPIRIT WEAR FOR EAGLE VALLEY HIGH SCHOOL

EVHS Spirit Wear

Any of the above items can be purchased through the school by visiting Audrey Aberle (Bookkeeper) where you can make a purchase by cash or check. You can also purchase online and pickup if you have an account with www.myschoolbucks.com
