## Are you Taking an Entrance Exam This Year?!

**MCAT? DAT? GRE? PCAT? OAT?**

If you are taking any entrance exam in the next year please [email Becca](#) and let her know the date you register for and the test you are taking so we can add you to the **Pre-Health Testing Calendar!** We want to cheer you on as you study and help you find other people who are working towards the same goals to connect with this year. We also want to celebrate with you when you're done - and we don't know when you're taking these tests unless you let us know!

## Off Campus Highlights

- OHSU dental school is hosting a [Personal Statement Workshop](#) Monday March 9th from

6:00 - 8:30 as the Robertson Life Science Building.

- [The Region VIII Asian and Pacific American Medical Student Association \(APAMSA\) regional conference](#) will be held in Portland, OR this year on **April 18th at the OHSU Robertson Life Sciences Building**.

## Alumni Spotlight

[Devin Wulff](#) graduated in May of 2019 as one of UP's outstanding student athletes. Not only was Devin a stellar student but he was also an outstanding runner on the men's cross country team at UP. After graduation, Devin took a job as a physical therapy rehabilitation aide at a local clinic.

Working as a PT aide allowed him to log hours towards his application and also get paid for those hours. Devin also found time to coach cross country this past fall at his former high school. Devin credits each of these two jobs in helping to strengthen his application and gave him valuable insights into patient care and how to communicate with various patient and athlete populations. Throughout the fall he also spent time each day on his applications, essays, studying for the GRE, and taking two online classes. We are excited that Devin has accepted a spot in this year's class at the University of St. Augustine's DPT program at Austin, Texas. He started there in January and we wish Devin continued success and all the best!
