Your Summer Preparation for Christendom

Registering for Classes

Instructions on how to register for classes will be delivered next week in Christendom Beginnings.

Classical and Early Christian Studies Course Offerings

Welcome to you all! If you wish to take a Latin course higher than LATN 101, you will need to qualify by taking the Latin Placement Exam. Please [email me](#) to indicate your interest. For details about all of our courses, both Latin and Greek, please see this [freshman course offerings flyer](#). New this year is a

Dr. Andrew Beer

Associate Professor, Classical & Early Christian Studies

Choosing Mathematics and Science Courses

To fulfill Christendom's core curriculum requirements, every student takes one mathematics course and one natural science course. The course descriptions for our [Fall 2020 core course offerings can be found here](#). You have the option to take your mathematics and science courses in either semester, but some courses will not be offered in both fall and spring semesters. As a supplement to your professor's office hours, the College provides free peer tutoring for MATH 102, MATH 150, and MATH 201. If you have any questions, please don't hesitate to contact me by [e-mail](#) or by phone (540-660-7618).
