April 2024

Dear Colleague,

As you read this, I'm finalizing details for my birthday (tomorrow) and the party I'm giving this Saturday. It's a celebration of me reaching the fabulous 40s and was supposed to take place several years ago – and then Covid happened. So it promises to be a big and fun event!

Next week, I'm attending the **Emotions Trade Show** in Buenos Aires on behalf of **La Coralina Island House** in Panama. Jane is flying in from Atlanta to join me, and Denisse with **Hidalgo Tours** and **Palacio de Sal Hotel** will be there, too. We'll be hosting a very exclusive and intimate lunch. So if you're attending Emotions and want to join us, please drop me a line!

After Emotions, Jane and I are flying to **San Martin de Los Andes** to explore the Argentine Patagonia and experience **River House Lodge**. If you're interested in learning more about this boutique six-room property and hear about our first-hand experience, please join us on the River House webinar we're conducting on May 9 ([register here](#)).

Meanwhile, **Enchanted Expeditions** has once-in-a-lifetime specials for travel advisors...yay! If you've always dreamed of sailing the **Galapagos Islands**, now is the perfect time. They're offering truly amazing fam trips for you and a companion from now until the end of August. Please find more info below or drop me a line if you're interested.

As always, every newsletter is full of special deals, the latest news and interesting blogs (as well as fun facts) from our clients in the Americas portfolio. I invite you to take a break from your busy day and enjoy reading this month's edition.

Best regards,

News at a Glance
