

Congratulations!

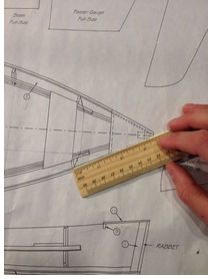

Alliance at Meek High School seniors & Trees to Sea project graduates

Wind & Oar's Trees to Sea project with Alliance at Meek High School students....

Began with visits to the forest at Hyla Woods, then in the boat shop building the Phoenix, a 15' wooden sailboat,

....undaunted by the imposed social distancing in mid March 2020, students and staff made the pivot to distance learning - retaining hands on, and while without the benefits of a team effort, these students soloed onto success!

Congratulations Alliance students!

We salute you!
and look forward to future projects,
when once again the "shop" is open!

Teamwork, it's how it's done!

It's bigger than the boat!
