The 2022 annual report features a foreword by José Flora, the National Co-Director, who highlighted the importance of always being a learner, a motto that he has repeatedly employed at CMU Portugal: "Your choice, you and the others: Networks of Opportunity and our future-ready: innovation trends for your radar." The report offers a comprehensive overview of the achievements of the 2022 academic year and looks ahead to the challenges and opportunities that lie ahead.

The report includes a recap of the milestone events of the year, emphasizing the strategic initiatives and projects that contributed to the development of CMU Portugal's vision of creating a vibrant ecosystem that fosters collaboration across disciplines and beyond traditional academic boundaries.

The report also features a dedicated section on the "Pathway to Diversity" initiative, which reflects the commitment of CMU Portugal to cultivating a diverse and inclusive community. It details the progress made in 2022, including the introduction of new programs and policies aimed at increasing participation from underrepresented groups.
