- Japan: Sophia University in Tokyo: Summer Session Japanese Language
- Japan: Sophia University in Tokyo: Summer Session Asian Studies

Potential funding opportunities

- Gilman offers a $3,300 award per academic year. Open to U.S. citizens with at least sophomore-level standing and a minimum GPA of 3.2. Eligible candidates must be Pell-grant recipients. Deadline: February 21. 3-to-4-week summer programs are open and accepting applications.
- The Charles B. Rangel International Affairs Summer Enrichment Program offers a $8,000 award to 90 students of color who exemplify leadership, social justice, agitation for positive change, and cross-cultural understanding. Students must be current freshmen, sophomores, or juniors; have a leadership, social justice, agitation for positive change, and cross-cultural understanding. Students must be current freshmen, sophomores, or juniors; have a leadership, social justice, agitation for positive change, and cross-cultural understanding.
- The Frederick Douglass Global Fellowship offers a $8,000 award to 90 students of color who exemplify leadership, social justice, agitation for positive change, and cross-cultural understanding. Students must be current freshmen, sophomores, or juniors; have a leadership, social justice, agitation for positive change, and cross-cultural understanding.

LEADING BY EXAMPLE: MAKING A SOCIAL IMPACT

LEADING BY EXAMPLE: MAKING A SOCIAL IMPACT
- Leadership includes the ability to work within a team, express ideas and listen to others who want to make a difference. Dates: April 1-2, 2022. Juniors, graduating seniors, and alumni are encouraged to attend to learn more about these fully funded opportunities to live, work, and/or study abroad after completing your bachelor's degree. No previous study abroad experience required! Review the attached event flyer for more information.

Stop by ONIF's Gilman Drop-in Hours to learn more about these opportunities.
