GW Votes

Today is National Voter Registration Day! For many of you, this is your first time eligible to vote. For others, voting is something you have been doing for a long time. Either way, NOW is the time to make sure you have a plan to vote so you can be #VoteReady before the 2020 election.

What is Social Innovation?

Social innovation has been defined as “something that addresses social needs and makes a better future for people less fortunate than you. That’s what I think a meaningful life is – living not for oneself, but for one’s community.”

- Ruth Bader Ginsburg

In collaboration between the Nashman Center, the School of Media & Public Affairs and the GW Office of Innovation & Entrepreneurship, this event will discuss voting, the upcoming elections, and how innovation and social entrepreneurship can promote civic engagement.
