GW Votes

Today is National Voter Registration Day!

For many of you, this is your first time eligible to vote. For others, voting is something you have been able to do for a long time. Either way, NOW is the time to make sure you have a plan to vote so you can be #VoteReady before the 2020 election.

“GW VOTES: What is Social Innovation?”

This session will provide an overview of inclusive recruitment and retention strategies in order to diversify your team and effectively collaborate and communicate in ways that appreciate multiple perspectives.

In collaboration between the Nashman Center, the School of Media & Public Affairs and the Office of Innovation & Entrepreneurship, this event will discuss voting, the upcoming elections, and how innovation and social entrepreneurship can promote civic engagement. This session will be moderated by Frank Sesno, Director of Strategic Initiatives at the GW School of Media and Public Affairs.

The Launch Camp provides GW innovators that are exploring starting a venture a safe space to test their ideas, try out different business models, and learn from diverse social innovation experts, SEED SPOT's curriculum, and a network of supporters. Join the virtual Launch Camp to turn your idea into reality.
