The Center for Industrial Research and Service (CIRAS) seeks to make Iowa better by educating its businesses about the latest research-proven methods and best practices of industry. Here are just a few of the ways we plan to do that in the coming month.

**Upcoming Conferences, Trainings, & Workshops**

- **NDE Testing Helps VT Industries Save Time, Avoid Costs**
  - Aron Fleischmann, an engineer with VT Industries, said his company will avoid tens of thousands of dollars in potential warranty work because of shipments from a supplier.

- **A Business Makes 2020 a Success: NDE Testing Helps VT Industries Save Time, Avoid Costs**
  - A Holstein, Iowa, maker of doors and countertops saved time and money by using NDE testing.

- **Avoid Costs**
  - NDE Testing Helps VT Industries Save Time, Avoid Costs

**Internet Marketing: Boost Camp Brings Big Benefits**

- **International Marketing Boost Camp**
  - Businesses should monitor that website regularly and feel free to contact CIRAS with any concerns.

**Coronavirus Advice**

- **CIRAS Launches New Web Page with Coronavirus Advice**
  - CIRAS recently launched a new web page aimed at providing clear authoritative public information about the disease as well as tips for how businesses can prepare. The page, which will be updated frequently, contains links to the latest information and educational support for companies with questions about the coronavirus.

**Learning Resources**

- **COVID-19 Webpage Resources**
  - Businesses who are worried about the impact of the disease, formally known as COVID-19, can visit the CIRAS website on COVID-19 to continue learning about how to navigate the situation.
