CIRAS Launches New Web Page with Coronavirus Advice

Amid this uncertainty, CIRAS is seeking to provide clarity for Iowa businesses who are worried about the impact of the disease, formally launching a new web page aimed at providing clear and authoritative public information about the disease as well as tips for how companies can prepare for any potential disruptions to their supply chains.

For more information, contact Marc Schneider at mschneider@iastate.edu.

Internet Marketing: Best Camp Brings Big Benefits

The second annual Iowa Marketing Boot Camp continued its proven success in Des Moines last month. This camp brings together professionals in a variety of industries to share and network in the field of internet marketing.
