

Dear Colleague,

OMG, June is almost over! And what a busy month it's been for me!

The first week, I was in **Iceland** with our Iceland specialist Judy Hurst and seven amazing travel advisors (now friends!) exploring Reykjavik and the Golden Circle by land and then sailing aboard **SeaVenture** as far as Husavik.

What a small but beautiful country! Taking my job very seriously, I tried everything — from the fermented shark (sorry to say, not my favorite meal) to the ship hospital. LOL, I had a serious migraine session. The silver lining is that I can now share great feedback about the **Iceland ProCruises** onboard medical services.

The second week of June found me in the **Big Apple** and **Windy City** with Juan Lopez from **Las Torres Reserve**. We had the pleasure of meeting some of you in person while enjoying your awesome cities.

Next came **Michigan** and **Ohio**, my first time in those states and both cases of love at first sight. Thanks for your hospitality and taking the time to meet while I was there.

As I finally plan my return to homebase in Argentina, I invite you to browse this month's Americas newsletter. **Enchanted Expeditions** is offering great deals (up to 40% off full charters) for its motor yachts **Beluga** and **Cachalote Explorer**. **La Coralina Island House** is offering a very much needed mind and body retreat in August.

**Colombian Journeys** and **Chile Concept** are working hard on itineraries and bookings for the high season.

Don't wait until the very last minute. Your clients need to book their 2023-2024 vacations now!

Best regards,
